

**** Mandated Child Abuse and Reporting Training (Act 126) Information ****

On July 5, 2012, Governor Corbett signed into law Act of July 5, 2012, P.L. 1084, No. 126 Cl. 24 Session of 2012, which amended the Public School Code of 1949 to mandate that **all school entities** (a public school, charter school, cyber charter school, private school, nonpublic school, intermediate unit or area vocational-technical school) **and independent contractors of school entities provide certain training to all employees** who have direct contact with children. Direct contact with children has been defined as "the possibility of care, supervision, guidance or control of children or routine interaction with children". The law went into effect on January 2, 2013.

- Official effective date was January 2, 2013 with completion by December 31, 2013. Training will then be required every five (5) years.
- Training should be provided through an approved provider to meet the established guidelines. Training must include specific components to qualify.
- Training provided by school entities since July 1, 2012, may be counted towards fulfilling the mandate pending training met established guidelines.

If you participated in an approved training you will need to submit a copy of the attendance verification or certificate to Human Resources.

- **Failure to comply as indicated in the law will result in your ineligibility to continue employment.**
